Best Set up (clean winner) vs Valid-but-not-best setups :

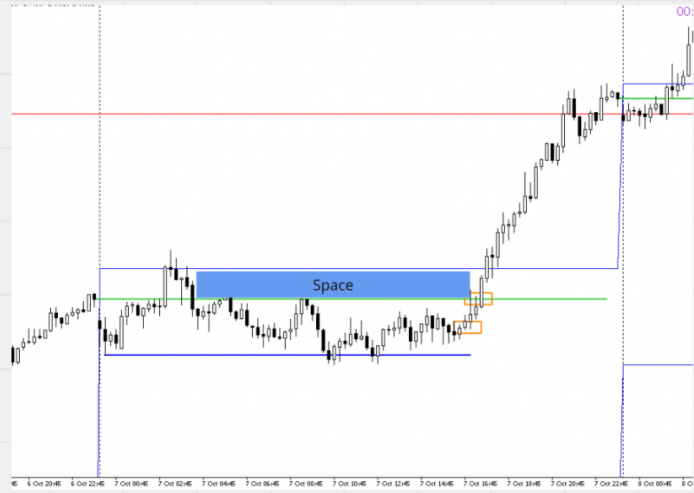

## Trapped volume

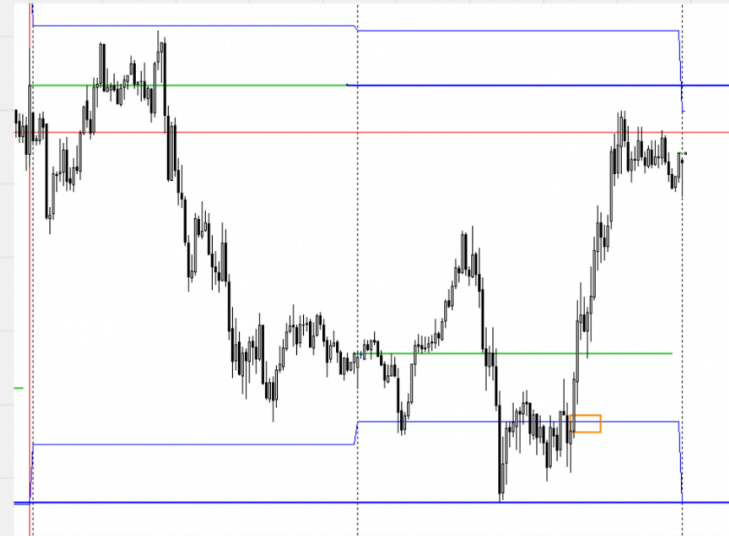

Contraste

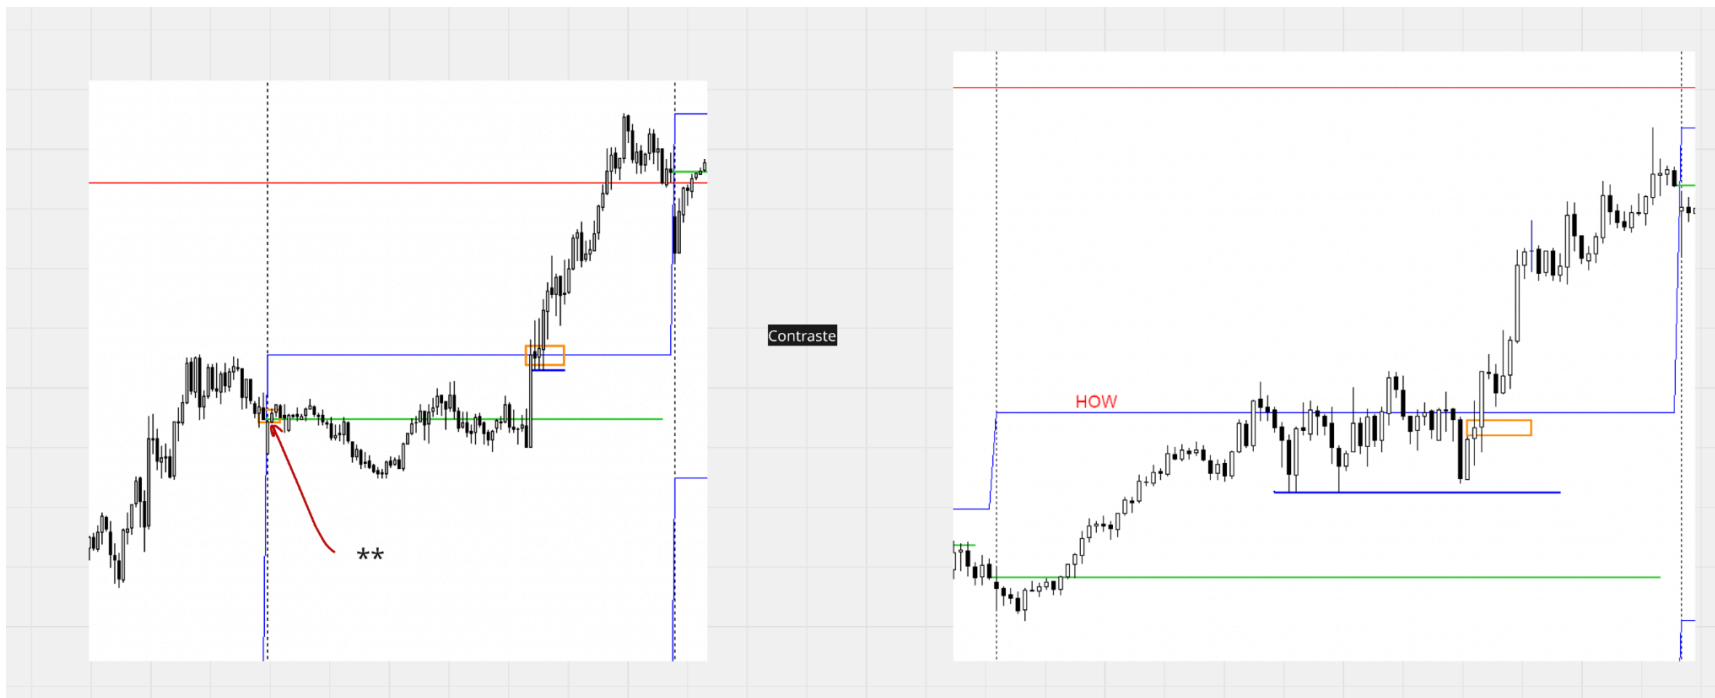

Stacey did not even put the CL price line to demonstrate that it's all about the tight cool and the timing of the strike. He often does that to help us train the eye.

Contraste

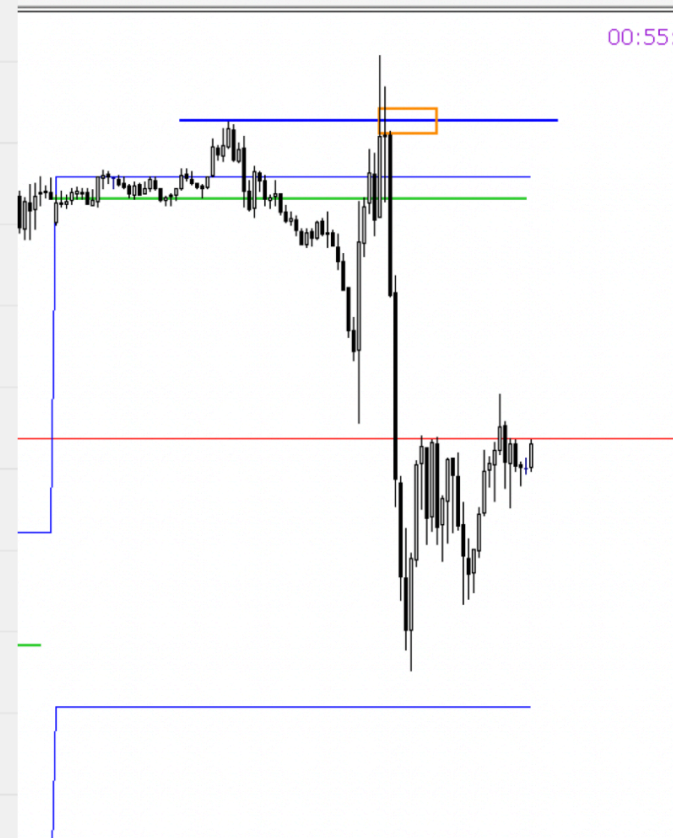

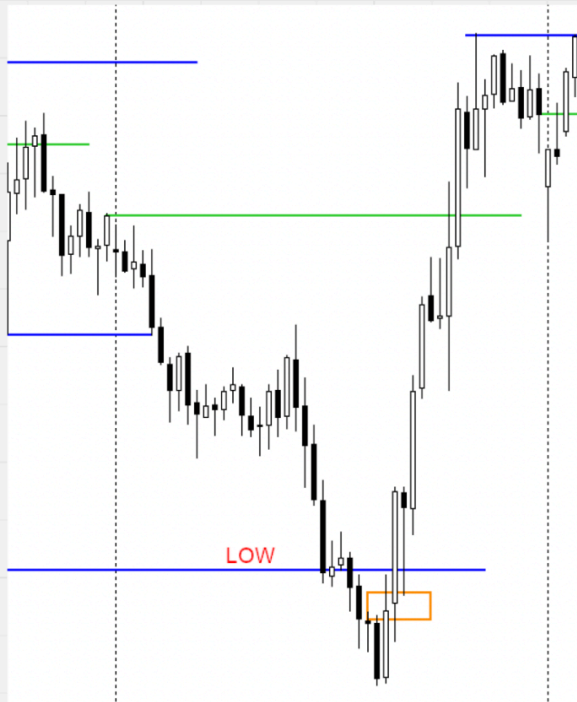

\*\* : I always annotated a market that has Closed in BO with a a box around the final candle (Closing Price)

Do not pay attention to \*\* we are focusing on set ups
